Terminus Media LLC Goes Diamond

ATLANTA, Georgia (August 12, 2009)—Terminus Media LLC announces distribution of its upcoming release, Terminus Tales Presents #1: Platypus vs. Monkey by Diamond Comic Distributors.

“We are very excited to establish a strategic partnership with Diamond and look forward to a long and positive relationship” said Terminus CEO and Publisher Mark Stancil. “The inclusion of our first Terminus Tales book in the October Previews will enable additional fan access and product saturation going into the holiday season.”

With more than 20 years in the industry, Diamond Comic Distributors is recognized as one of the world's largest wholesale distributors of English-language comics and related merchandise. Each month the Diamond network services more than 4,000 comic book and specialty shops worldwide via its Diamond PREVIEWS catalog and PREVIEWSworld.com website.

Terminus Media LLC is an independent comic book publisher and animation studio dedicated to identifying, developing, and aggressively marketing corporate and creator owned properties into valuable multimedia assets. In addition to Terminus Tales, Terminus has also released the successful Evolution anthology series and Southern Fried comics.
